

Introduced in November 2015, our Limoncello di Pacifica (a lemon liqueur full of liquid Pacific Coast sunshine). It is a premium all-natural lemon liqueur artisan-crafted with hand-zested organic Eureka lemons, infused with Dutch & Dewey Distillery's brandy, and lightly sweetened with simple syrup. Taste the purity of the lemons and feel its smoothness in the mouth. Serve well-chilled, over ice, or to enrich the taste and aroma of other drinks.
